Basis for Intervening:

For purposes of this filing, the NRG Companies are NRG Power Marketing LLC, Arthur Kill Power LLC, Astoria Gas Turbine Power LLC, Dunkirk Power LLC, Huntley Power LLC, and Oswego Harbor Power LLC.

NRG Power Marketing LLC (âœNRG PMLâ?) is a power marketer that participates in the NYISO markets and engages in bilateral transactions in the New York region. Arthur Kill Power LLC, Astoria Gas Turbine Power LLC, Dunkirk Power LLC, Huntley Power LLC, and Oswego Harbor Power LLC own and operate power generation facilities in the state of New York. As participants in the markets operated by NYISO through both their power marketing activities and their generating facilities, the NRG Companies have a direct and substantial interest in the outcome of the New York State Electric & Gas Corporation, Niagara Mohawk Power Corporation d/b/a National Grid and the New York Municipal Power Agency's proposed settlement offer in this proceeding. NRG's interests cannot be adequately represented by any other party and their intervention would be in the public interest.
